SWIMMING LESSONS

This seasonal activity animated by the **Kirsty Coventry Academy activity** does not operate in the same way as the other activities.

It can be combined with a registration for another activity.

Slots and groups are not yet known and depend on:

- the weather
- the swimming level of the children
- the number of children registered per group after the level tests

Each child (from MS to Terminale) of the French school will be able to benefit from 10 hours of lessons divided into 30-minute sessions, i.e. 20 sessions of two 30-minute sessions per week.
